

WINDSOR PLACE INDUSTRIAL PARK

PROPERTY OVERVIEW

[Watch Video](#)

Windsor Place Industrial Park spans 103 acres in Cooper County, Missouri, with 90 acres designated as certified, shovel-ready land. Fully served with essential utilities and positioned along nearly one mile of Interstate 70 frontage, the site offers immediate development readiness. Its location in the Village of Windsor places it directly between St. Louis and Kansas City, creating seamless access to major U.S. markets via I-70.
